EXTENSION

- We handle every stage of your extension project – from initial design and planning through to final build.
- With a focus on quality materials, reliable project management and attention to detail, we ensure a smooth process from start to finish.
- Every project is tailored to complement your home's existing style while adding space, value, and functionality.

Carpentry

CUSTOM WARDROBES

Our bespoke wardrobes are crafted to fit perfectly into any space, whether it's a compact room or a large master suite. We offer:

- Made-to-measure wardrobes designed to maximise storage.
- Custom wardrobes built to complement your style.
- Bespoke built-in wardrobes for a sleek, seamless finish.

Carpentry **KITCHENS**

We design and install kitchens tailored to your space, style, and everyday needs. With a focus on precision and quality craftsmanship, every detail is carefully considered to create a space that feels both functional and visually refined.

- Custom Kitchen Layouts & Designs!
- High-Quality Cabinetry & Finishes!
- Precision Installation & Detailing!
- Modern and Classic Style Options!

Carpentry

FLOORING

When it comes to wooden floor installation, we simply can't be beaten. Whether you're looking for tough oak or bright elm, we can cut and fit the flooring for an entire room with perfect precision. We also offer wood floor restoration and treatment services, so if all you need is a flooring glow-up, we can provide that as well!

Wood flooring comes in a variety of different styles, allowing us to install the type which best suits your home.

- Strips
- Boards
- Wide
- Parquet
- Panels
- Planks

Carpentry

CUSTOM FURNITURE

- Elevate your carpentry projects with our expert furniture fitting services. Our skilled craftsmen are dedicated to providing tailored solutions, ensuring that your furniture is not only functional but also impeccably finished.
- From custom-made fittings to precise installations, we're here to help you achieve the perfect blend of form and function for your furniture pieces.

Landscaping

PATIOS

We specialise in patios, paving, and garden furniture that transform any garden into a beautiful retreat. From stylish bistro sets and cosy garden benches to full patio sets and outdoor dining sets, we provide everything you need for the perfect patio.

Whether you want a sleek modern look or a more traditional design, our patio slabs and paving options are perfect for any Dorset garden. We offer:

- Concrete patio slabs
- Natural stone slabs
- Resin patio surfaces
- Paver stones and outdoor pavers

Landscaping

PERGOLA

We design and build bespoke pergolas that enhance your outdoor space with both style and functionality. Whether for relaxing, entertaining, or adding structure to your garden, each pergola is crafted to suit your space and built to last.

- Custom-designed pergolas for any outdoor space
- Wooden and aluminium options available
- Adjustable roof systems for year round use
- Suitable for both residential and commercial projects

Landscaping

DECKING

We design and install bespoke decking solutions that enhance your outdoor living space with both style and durability. Whether you prefer modern composite or classic timber, every deck is built to suit your space and crafted for long-lasting performance.

- Composite & timber options
- Custom design & installation
- Low-maintenance & durable
- Repairs & upgrades available

Landscaping

FENCING

We provide professional fencing solutions designed to enhance privacy, security, and the overall appearance of your property. From classic wooden styles to more modern designs, every project is built with quality materials and expert craftsmanship.

Whether it's a new installation or repairs, we deliver durable results that are made to last.

GARDEN ROOMS

We design and build bespoke garden rooms tailored to your lifestyle, creating versatile spaces that can be used for work, relaxation, or everyday living. Built with quality materials and full insulation, each space is designed for year-round comfort while enhancing both the look and functionality of your outdoor area.

- Custom garden rooms & studios
- Garden offices & workspaces
- Fully insulated for year-round use
- Modern, durable & low-maintenance builds

CONVERSIONS

We transform unused or underutilised spaces into functional, well-designed areas that enhance your home and lifestyle. Whether it's a loft, basement, or a seamless extension, every project is built with a focus on quality craftsmanship and attention to detail.

From creating additional living space to improving comfort and flow, our work is tailored to suit your needs while adding long-term value to your property.

CUSTOMER REVIEWS

John Denton

"Dorset C&L exceeded my expectations! They transformed my backyard into a dreamy oasis. I'm incredibly impressed with their landscaping skills - and my new decking really is just the cherry on top."

Daniel Cox

"I couldn't be happier with Dorset C&L's work. They're professional, creative, and brought my landscaping vision to life. Highly recommend!"

Laura Gainer

"Absolutely delighted with my custom-made dining set. Combined with the new wooden kitchen fittings, it really just brings everything together so neatly. Highly recommend giving these guys a go if you're in the Dorset area!"

WHY CHOOSE US?

With over a decade of experience, we are trusted by homeowners across Dorset for delivering reliable, high-quality workmanship on every project. We take pride in clear communication, honest pricing, and attention to detail from start to finish. Every job is completed with care, ensuring lasting results that improve both the look and value of your property.
